Instructions for the Little Artist

Open your paint box and you will find several colors of paint and various sized brushes.

Get a small white plate to mix your colors on.

When you have finished painting, wash your brushes thoroughly and put them away.

MIXING COLORS

All shades are made from three primary colors: Yellow, Red and Blue.

Green is made by mixing Yellow and Blue.

Purple, by mixing Blue and Red.

Orange, by mixing Yellow and Red.

In painting it is best to begin at the top of the picture, making the sky first.

Should you happen to make a hard line, take a clean brush and with clean water go over the line and absorb the water with a piece of blotting paper.

Sit square and upright before your work, hold the brush firmly, using easy wrist action while applying color to the paper.
